Transient Study - Financial Aid Guidelines

1. UNC Charlotte degree-seeking students wishing to receive financial aid, who are also taking courses at another college as a transient or visiting student, must complete a *Transient Study Financial Aid Request Form*. This form is in the Registrar's Office.
2. *Transient Study Financial Aid Request Forms* will not be accepted by the Office of Financial Aid unless the form is completed in full and includes all supporting documentation listed in Section 3 of the form.
3. Once the *Transient Study Financial Aid Request Form* is approved, the Office of Financial Aid will send the host/transient school a *Consortium Agreement* which the school must complete verifying the student's enrollment. If the host/transient school does not return the *Consortium Agreement*, it will be the student's responsibility to obtain the completed *Consortium Agreement* from the host/transient school.
4. It is understood that the student is responsible for paying fees owed to the Host Institution. All financial aid will be disbursed directly to the student's UNC Charlotte account after a completed *Consortium Agreement* is received. Students can only receive financial aid for the credit hours enrolled at UNC Charlotte and those courses listed and approved on the *Permit for Transient Study* form.
5. Students must adhere to the financial aid awarding conditions stated on the Office of Financial Aid website <http://finaid.uncc.edu/receiving-your-aid/terms-and-conditions>.
6. It is the student's responsibility to submit an official transcript from the host school, showing posted grades for the term by the scheduled deadlines. If transcripts are not received, financial aid may be canceled for that term, and future requests will be denied.
