The Fretwell Scholarship was established in recognition of Dr. E. K. Fretwell Jr., chancellor of UNC Charlotte from 1979 to 1989, for the purpose of attracting students with great potential to the University. The founders feel these students will be of great value to UNC Charlotte because they stimulate and challenge fellow students, as well as faculty members.

**Eligibility Requirements:**

Scholarships for Merit are administered through the Levine Scholars Program. To be considered, current high school seniors must receive a nomination from their high school counselor. Once nominated, nominees will receive access to the supplemental application via email.

1. High School Senior
2. Merit based
3. Demonstrated academic excellence
