Gary D. Howard Graduate Fellowship

Gary Howard received his B.A. in 1964 at Doane College and his Ph.D. in Chemistry from University of Nebraska in 1970. He joined the Chemistry Department at UNC Charlotte in 1974 and taught in the areas of analytical and general chemistry. Gary was director of our General Chemistry Program and provided strong leadership until his untimely death. Gary’s efforts were aimed at seeking ways to improve student learning, identify and provide tutorial support of high risk students, bring standardization to the instructional program and incorporate information technology into the curriculum. Gary was esteemed by his colleagues for his modesty and integrity.

Eligibility Requirements:
1. Undergraduate chemistry major
2. United States citizen or permanent resident
3. Minimum chemistry GPA 3.25; minimum overall GPA 3.0
