GlaxoSmithKline Women in Science Scholarship

This scholarship was established in 1993 from a grant from the Glaxo Foundation. Its purpose is to recognize outstanding scholarship, to provide an incentive for women science students to enter the science profession and to provide students with a woman scientist mentor at Glaxo, Inc.

Eligibility Requirements:
1. Undergraduate Sophomore student
2. Minimum 3.0 GPA
3. Must attend scheduled group meetings
4. Must complete evaluation form
5. Must complete interest profile and submit with resume
6. Must maintain regular contact with mentor and host mentor at their campus
