Lucille P. and Edward C. Giles Foundation Dissertation-Year Fellowship

This fellowship was established in 1990 by the Mrs. Lucille and Mr. Edward Giles to support graduate students pursuing degrees in engineering and science disciplines.

Eligibility Requirements:
1. US Citizen or permanent resident
2. Advancement to candidacy and sufficient progress toward dissertation completion, allowing the candidate to complete all degree requirements during the award year
3. Award acceptance precludes other employment obligation for the award year
4. Must be on-campus and engaged full-time in efforts to complete the dissertation with regular communications to advisor
5. Must maintain full-time dissertation credit enrollment for fall and spring semesters
