Essam El-Kwae Student-Faculty Research Award

This award was established in March 2002 in memory of Essam El-Kwae, a faculty member in the College of Computing and Informatics and a dedicated professor whose mission was to motivate and guide students in the field of research.

Eligibility Requirements:
1. Undergraduate or graduate student demonstrating excellence in research
2. Demonstrated research in collaboration with a faculty member
3. Demonstrated presentation of research in appropriate forum
4. Documentation of the joint nature of the research
5. Preference will be given to students who have been published in an appropriate venue
